

Corporate Intranet, Project Management, Workflow, Data Integration

The screenshot displays a SharePoint 2010 Corporate Intranet for Contoso. The page features a navigation bar with links for Home, Information Technology, Human Resources, Internal, and Group Collaboration. A search box and an "ASK AN EXPERT" button are visible in the top right. The main content area is divided into several sections:

- Announcements:** A list of recent posts with dates, times, categories, and authors. For example, a post from December 22, 2010, at 8:45am, categorized as General, posted by John Smith.
- Company Calendar:** A section with tabs for Events, Human Resources, and Birthdays, listing upcoming events like "Company Buffet & Awards Ceremony" and "SharePoint Training: Workflows & Forms".
- Employee Spotlight:** A section highlighting new and current employees, including Heather Birchall and Glen Thomas, with their photos and brief descriptions.
- Key Resources:** A list of links to various resources such as Training, Safety, IT Knowledgebase, and Expense Submittal.
- Notifications & Alerts:** A section for alerts and notifications, including items like "Lorem ipsum dolar sit amet adipiscing".
- Company Successes:** A section for recent achievements, such as a post from December 1, 2010, at 11:58am, posted by Barry Hancock.
