

Team + Collaboration Site

Home

Publishing

<http://sharepoint/sites/exmarketing>

Challenge

- Consolidate multiple team sites into one
- Make content easy to find + work with
- Enable non-technical users to publish + update content

Our Role

- Visual design
- User interface configuration
- Web part development
- Web content management
- Collaboration + team site development
- Wikis
- Migration
- Search
- Training
- Adoption + Engagement

Impact

- Decreased 5 repositories used to 1
- Promoted internal team collaboration
- Improved information discoverability

Technology

- SharePoint 2007
- SharePoint Designer 2007
